

### Earl Grey

A superior combination of black teas flavored with oil of bergamot and lavender blossoms offering a unique twist on a well known blend.

### English Breakfast

This is an exceptionally good blend of breakfast teas. The leaves are a little larger and brew slower, producing a smooth robust cup.

### Decaf Earl Grey

The same great blend as our caffeinated tea. Very popular.

### Decaf Apricot

Premium decaffeinated Ceylon black tea is flavored with natural apricot juices and marigold petals that give it a slight sweetness and a wonderful aroma

### Ginger Peach

A blend of Ceylon tea, natural peach juices, and top-grade ginger. Pungent, aromatic, lingering flavors. Its great iced!

### Lilac Blend

Premium black teas from China blended with lilac flowers. This tea looks, smells, and tastes great.

### Formosa Amber Oolong

This tea has a very smooth taste with flowery flavors and aromas. The more you drink the more flavors are discovered.

### Bai Mu Dan White Tea

This tea has a full and sweet taste, a grade above standard white tea, it can be brewed multiple times.

### Jasmine Green

China green tea with an abundance of jasmine petals creates a light, sweet tea with a nice aroma.

### Earl Grey green (organic)

Premium organic sencha green tea with organic oil of bergamot. Good for Earl grey lovers and green tea lovers. It brews a lovely light cup with refreshing citrus like tones.

### Sundew Green

A fabulous tea blended from flat dragon well- type of leaf and naturally flavored with pieces of dry mango, marigold, sunflower blossoms, rose,

cornflower and safflower petals.

Judy's Lemonscent

A special blend that unites the jasmine flower, a tiny bit of green tea and lemon grass to create a great tasting medium bodied herbal tea
